

# *Meditations on Dalí's Meditative Rose*

*Courtney Noorda*

## *Artist Statement*

Salvador Dalí, most famously known for his work *The Persistence of Memory*, was a Spanish surrealist painter that loved to stretch the viewer's imagination and the world's definition of beauty. In this remake of his work, *Meditative Rose*, I urge you to look for beauty not only in the rose, but also in the mercy and miracle of its place in a deserted landscape.
